REQUEST FOR CORRECTION OF FILING RECEIPT

Assistant Commissioner for Patents  
OFFICE OF INITIAL PATENT EXAMINATION'S  
CUSTOMER SERVICE CENTER  
Washington, D.C. 20231

Dear Sir:

Applicants hereby request issuance of a new filing receipt to correct an error listed in the Corrected Filing Receipt mailed from the USPTO on April 19, 2002. Please note the error highlighted on the enclosed copy of the Filing Receipt. In particular, the correction is listed as follows:

In the Domestic Priority data as claimed by applicant section, the asterisk depicted next to "WHICH IS A CON OF 08/733,555 10/21/1996 PAT 6,063,233" indicating the data is inconsistent with PTO records is erroneous.

Applicants claim priority of the subject patent as being a divisional of application 09/350,234 filed July 9, 1999 issued as Pat. No. 6,365,063, which is a continuation of application 08/733,555 filed October 21, 2996 issued as Pat. No. 6,063,233, which is a continuation-in-part of application 08/648,254 filed May 13, 1996 issued as Pat. No. 6,165,311. This claim of priority is consistent. Attached please find the first page of Pat. No.'s 6,063,233, 6,165,311, and 6,365,063, all evidencing that application 09/350,234 (Pat. No. 6,365,063) is a continuation of

application 08/733,555 (Pat. No. 6,063,233) which is a continuation-in-part of application 08/648,254 (Pat. No. 6,165,311).

Applicants respectfully request the Patent Office to correct the Filing Receipt by removing the asterisk next to "WHICH IS A CON OF 08/733,555 10/21/1996 PAT 6,063,233" and forward copy to Applicant.

If the Examiner should have any questions regarding the above correction, the Examiner is requested to telephone Applicant's representative at the number listed below.

Respectfully submitted,

Dated: May 20, 2003

  
Robert M. Wallace  
Reg. No. 29,119  
Attorney for Applicant(s)

Robert M. Wallace, Patent Counsel

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).

---

**LICENSE FOR FOREIGN FILING UNDER  
Title 35, United States Code, Section 184  
Title 37, Code of Federal Regulations, 5.11 & 5.15**

**GRANTED**

The applicant has been granted a license under 35 U.S.C. 184, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" followed by a date appears on this form. Such licenses are issued in all applications where the conditions for issuance of a license have been met, regardless of whether or not a license may be required as set forth in 37 CFR 5.15. The scope and limitations of this license are set forth in 37 CFR 5.15(a) unless an earlier license has been issued under 37 CFR 5.15(b). The license is subject to revocation upon written notification. The under 37 CFR 5.13 or 5.14.

This license is to be retained by the licensee and may be used at any time on or after the effective date thereof unless it is revoked. This license is automatically transferred to any related applications(s) filed under 37 CFR 1.53(d). This license is not retroactive.

The grant of a license does not in any way lessen the responsibility of a licensee for the security of the subject matter as imposed by any Government contract or the provisions of existing laws relating to espionage and the national security or the export of technical data. Licensees should apprise themselves of current regulations especially with respect to certain countries, of other agencies, particularly the Office of Defense Trade Controls, Department of State (with respect to Arms, Munitions and Implements of War (22 CFR 121-128)); the Office of Export Administration, Department of Commerce (15 CFR 370.10 (j)); the Office of Foreign Assets Control, Department of Treasury (31 CFR Parts 500+) and the Department of Energy.

**NOT GRANTED**

No license under 35 U.S.C. 184 has been granted at this time, if the phrase "IF REQUIRED, FOREIGN FILING LICENSE GRANTED" DOES NOT appear on this form. Applicant may still petition for a license under 37 CFR 5.12, if a license is desired before the expiration of 6 months from the filing date of the application. If 6 months has lapsed from the filing date of this application and the licensee has not received any indication of a secrecy order under 35 U.S.C. 181, the licensee may foreign file the application pursuant to 37 CFR 5.15(b).

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number.
